

Subscription Support Services (S³) – Powered by Social Survey Analytics LLC

Social Survey Analytics LLC offers a tiered pricing schedule with clearly outlined **Subscription Support Services (S³)**. The S³'s come in four tiers of support: 1-month, 3-months, 6-months and 12-months. Each Subscription Support Service includes support for the “Deliverables” purchased with the “Comprehensive” or “Essential” Services Package.

What's Included in Every Subscription Support Service Package?

-  **Support for Custom Research Design** – Support for your customized research design goals
 -  **Support for Sampling Framework** – Support for scientifically grounded sampling
 -  **Support for Data Collection** – Support for survey administration and instrument deployment
 -  **Support for Data Cleaning** – Support for preparation of high-quality data
 -  **Support for Data Analysis** – Support for quantitative and/or qualitative statistical insights
 -  **Insight Reporting & Email**– Support for clear, actionable reports structured for decision-making
